

HELP KEEP UPPER ROCKRIDGE SAFE

Upper Rockridge security patrols have already helped make our streets safer. We now need immediate help to keep the momentum going.

Please **Join URNA TODAY** so we can maintain the patrols. URNA-oak.org

The patrol services help all, regardless of the Membership. They

1. Patrol neighborhood streets and public spaces to deter criminal activity
2. Be a resource to residents and guests who may have immediate security concerns, and
3. Provide Oakland Police with documentation of observations that can help them in their duties of law enforcement in Rockridge.
